There is only one wayto cure deafness, and that is by constitutional remedies. Deafness is caused by an infamed condition of the mucous lining of the Eustachian Tube. When this tube is inflauned you have a rambling sound or imperfect hearing, and when it is entirely closed. Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever, nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.
